The estimated cost of the trip is \$4000 per student. Funds raised through SPRINT will be used for airfare, visa, travel health insurance, housing, food, training and debriefing, transportation within the host country, immunizations, and other activity and program expenses. Students will be traveling from July 17 - August 28. Follow this team's blog at www.sprintbrazil2013.wordpress.com

REGARDING DONATIONS: Contributions to Seattle Pacific University's SPRINT teams are tax-deductible. Please make your check out to Seattle Pacific University and designate on the memo line which team you are supporting. In order to receive a tax-deductible receipt, please DO NOT include a student's name anywhere on the check. Any funds received in excess of the needs of the student will cover the costs of other SPRINT participants. Please return the response card below along with your contribution to the address at left. It would benefit the student best if you could have your contribution in by June 1, although donations will be accepted throughout the trip's duration.

OUR MISSION & HISTORY

Seattle Pacific Reachout INTERNATIONAL contributes to community health and wholeness by connecting students to effective models of community engagement through opportunities to learn and serve outside the United States.

SPRINT students learn first-hand from leaders engaged in significant ministry in their communities and encourage others through their service.

This summer, we will send students for service to Brazil, Dominican Republic, Guatemala, Haiti, Indonesia, Rwanda, and Vietnam.

Check team updates on the SPRINT web page: www.spu.edu/sprint.
